

**2021 Street & Utility Projects  
Update 07/08/2021**

**E 8<sup>th</sup> Street**

**Highlights from this past week:**

- Contractor is wrapping up the storm sewer installation (contractor may be on-site Saturday to finish the inlet at E 9<sup>th</sup> St/Riley Ave).

**Upcoming work:**

- Crews will be staking for the upcoming road work, which will begin on Monday, July 12. The road crew will also be doing retaining wall removal.

**S Pierson Avenue**

- Contractor plans to start on this portion of the project in August.
